

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed.

Check grammer.

References should be checked.

The sources used in the text are indicated as follows: Daramola and Amos (2016),

etc.

Must be: Daramola and Amos [1], . . .

to elaborate the bibliographic citation and references format according to the needs of AJESS.
