

Editor's Comment:

Editorial Decision of the Academic Editor:

My Recommendation:

The author of the article is requested to include the following in this case series study

1. Introduction section needs to be adequately referenced using recently published articles in the area of research.
2. IRB/ Ethics Committee approval details in the methods section.
3. Need to do all other corrections and recommendations mentioned by the reviewers.

After the inclusion of all of the above, this manuscript may be accepted for publication in the Asian Journal of Research in Nephrology.
