<p><b>Compulsory REVISION</b> comments</p> <ol style="list-style-type: none"> <li>Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</li> <li>Is the title of the article suitable? (If not please suggest an alternative title)</li> <li>Is the abstract of the article comprehensive?</li> <li>Are subsections and structure of the manuscript appropriate?</li> <li>Do you think the manuscript is scientifically correct?</li> <li>Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</li> </ol> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes, Renal failure is a progressive disease that affects &gt;10% of the general population world-wide, amounting to &gt; 800 million individuals. Diabetic kidney disease is the commonest cause of ESRD in INDIA. Assessing cardiac problem is mandatory for dialysis, people were not aware about the symptoms of cardiac abnormalities when they ll take treatment for ckd. My suggestion is kindly do awareness programme among community to prevent sudden death due to cardiac abnormality.</p> <p>Yes</p> <ul style="list-style-type: none"> <li>Abstract need to change. No clear understanding explanation</li> <li>Need to change aim (like cardiac lesions and its risk factors) instead what was given</li> <li>No appropriate supportive study</li> <li>Need to add some more and recent references</li> </ul>	
<p><b>Minor REVISION</b> comments</p> <ol style="list-style-type: none"> <li>Is language/English quality of the article suitable for scholarly communications?</li> </ol>	yes	
<p><b>Optional/General</b> comments</p>
