

**Editor's Comment:**

I've gone through the Peer Review Report of the manuscript entitled "Protective Effect Of Coscinium Fenestratum Bark Extract On Letrozole Induced Polycystic Ovary Syndrome (Pcos) In Sprague Dawley Rats" provided by 2 reviewers. I've also checked the authors response to the Reviewers comments as well as the revised manuscript. The authors have modified the manuscript as suggested by the Reviewers.

The manuscript may now be accepted for publication.
