

**Editor's Comment:**

I carefully analyzed the reviewers' recommendations and the final paper. Unfortunately, the authors did not answer the reviewers' questions and did not improve the paper.

The paper can be accepted for publication only after its improvement, as requested by the reviewers: adding current information to the paper by adding at least 10 references from the last 5 years.

**Editor's Details:**

Dr. Rusu Teodor

Professor, University of Agricultural Sciences and Veterinary Medicine, Cluj-Napoca, Romania.
