

**Editor's Comment:**

The manuscript 2023/AJAEES/96530 is interesting and has been improved in the revised version. As I checked, the authors took into account the comments and suggestions of the reviewers and the manuscript. However, it is necessary before the paper's publication, authors add more references, and after that can be published in the present form (as it is).

**Editor's Details:**

Dr. Fotios Chatzitheodoridis  
Professor, University of Western Macedonia, Greece.
