

## Review Form 1.7

Journal Name:	<b>International Journal of Environment and Climate Change</b>
Manuscript Number:	<b>Ms_IJECC_96664</b>
Title of the Manuscript:	<b>DOUBLING OF SMALL AND MARGINAL FARMERS INCOME THROUGH INTEGRATED FARMING SYSTEMS</b>
Type of the Article	<b>Original Research Article</b>

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy> )

### **PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</b>
<b>Compulsory REVISION comments</b>  <b>1. Is the manuscript important for scientific community?</b> (Please write few sentences on this manuscript)  <b>2. Is the title of the article suitable?</b> (If not please suggest an alternative title)  <b>3. Is the abstract of the article comprehensive?</b>  <b>4. Are subsections and structure of the manuscript appropriate?</b>  <b>5. Do you think the manuscript is scientifically correct?</b>  <b>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</b> <b>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</b>	1. As written in the introduction "This chapter of the book focuses on an interconnected agricultural system, one of which is fisheries, which doubles farmers' revenues". Pls clarify  2. It is a general review article where facts have been gathered from different allied sectors of agriculture  3. The title of the manuscript is not supporting the study any way as nowhere comparative evidences for doubling farm income has been shown  4. The different subsections have been written by just gathering facts from here and there.  5. The conclusion "When compared to monocropping, multiple cropping with diverse cropping systems always yields more income" has been arrived from which data. Pls clarify	
<b>Minor REVISION comments</b> <b>1. Is language/English quality of the article suitable for scholarly communications?</b>	No, major revision is required as one line is not in connection to another line in paragraph.	
<b>Optional/General comments</b>	The references as well as manuscript format is not as per author guidelines of the journal To make this general article a review article, try to link the sub sections as well as lines in one paragraph to one another so that some relevant information can attract the reader.	

### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</b>
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
