<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>I have read this paper carefully. The problem is interesting and generally the paper is well written in English except for several grammatical corrections. The abstract and introduction misses some necessary ingredients. The paper suffers from some minor weaknesses and I have suggested several important suggestions. Please, you can kindly find them below:</p> <ol style="list-style-type: none"> The author has to summary all references briefly in the introduction section. The author has to add some new recently published papers which are in the ithenticate report but not in the references section of the paper. Also, some useful papers should be added as follows: [1] Piyush K.Shukla, Özen Özer, 2020, The Interplay Between Missing Data and Out-of-Order Measurements using Data Fusion in Wireless Sensor Networks, Vol. 01, No. 02, PP. 66-78, 2020, DOI: 10.54216/FPA.010202 , ASPG-FPA Journal [2] H. Ali-Pacha1– N. Hadj-Said1 – A. Ali-Pacha1 – Ö. Acknowledgement and conflict of interest have to be added to the paper. Grammatical errors and some mistypes have been in the paper and all should be removed. <p>Finally and briefly, when author revised according to these suggestions, I recommend that the paper can be published/ accepted for the conference.</p> <p>A revision is needed.</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> Is language/English quality of the article suitable for scholarly communications?
