PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	The manuscript is a review of literature, content does not reflect on sustainable tourism development, rather on tourism expansion. Title does not reflect the content. Poorly written abstract, merely explain the situation of tourism industry. Yes, but content of subsection does not reflect well the subsection title. No, lack of clarification. No, need to add more updated references. The manuscript needs to be revised to reflect the concept of sustainable tourism development, not on tourism development and expansion.	
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	Moderate, need proof reading.	
Optional/General comments	Author/s need to truly understand the concept of sustainable tourism development and how this concept can be applied in tourism development, should not base on tourism economics perspective.
