<p>Optional/General comments</p>	<p>Article needs to be rewritten.</p> <p>SUGGESTIONS for Improvements</p> <ol style="list-style-type: none"> 1. The author has not evaluated the whole program of School Certificate/ Bachelor's Degree/ Engineering Degree. 2. Considering Social Studies in isolation provides only a tunnel vision. 3. The current needs of industries are based on the disruptive technology, 4. Any program will be based on the needs analysis and it will have many inter related courses to meet the needs of industries 5. This Social Studies Course can not be offered as a single isolated course. 6. Even in BA Social Studies, the Board of Studies of the University will develop other supporting courses like Computer Application, Natural Resources of Nigeria, Communication, Government Initiatives for improving the jobs. 7. The author should have developed the research objectives considering the problems 8. Any reader will expect a copy of the revised curriculum in Social Studies which indicates the methodology of implementation. 9. Consider the Context of Economics of Nigeria, Input like funds and resources, library, faculty development process, computer centres, interdisciplinary faculty members, laboratories, workshops, government policies, environment, industry-institute relationships, Desired Learning Process, etc. 10. Please incorporate the necessary suggestions indicated above.
