Reference are limited but sufficient to the needs of the subject inquiry.	
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	Yes. Quality of English language is of scholarly communication.	
Optional/General comments	African continent is rich with natural resources and cursed for most of the humanity. Frequent political upheavals, lack of political direction, ethnic conflicts disabled the African people to live with dignity, honour and enjoy human rights. D.R. Congo is one of the poorest countries standing at 164 of 174 countries. Women and children are the worst victims of Congolese population due to poverty, sickness, lack of health care and education. The author could have given some details of socio-economic and political and human rights texture of the DR Congo and the blatant violation of the Rights of the Children and how the governments continuously failed the rights and values of their children, the future citizens.
