EDITORIAL COMMENT'S on revised paper <i>(if any)</i>	Authors' response to editor's comments
<p>1. The Sections, Nigerian Youths and Survival Strategies; Barriers to Survival Strategies must be written out. These are numbered and do not meet common academic journal practice.</p> <p>2. The Methodology section is 2 sentences. This is completely inappropriate.</p> <p>3. Furthermore, the Conclusion section is much too short and lacking in detail and information.</p>	<p>It is just an opinion paper and there is nothing wrong with numbering.</p> <p>I will beef up the methodology.</p> <p>Noted and will improve it.</p>
