Manuscript Title: Experiential Learning Style Models on Implementation of Pre-Primary School Social Studies Curriculum: Systematic Review of Related Literature

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the Draft Word.

Also,

- The organisation of the manuscript to be checked.
- Check grammer.
- to have the text English proofread (mainly the application of articles).

In the text, do not use the first person "our".

- References should be checked.
- The sources used in the text are indicated as follows: Dewey (1938), etc.

Must be: [1]. . .

- to elaborate the bibliographic citation and references format according to the needs of AJESS.
