

Review Form 1.7

Journal Name:	Annual Research & Review in Biology
Manuscript Number:	Ms_ARRB_98630
Title of the Manuscript:	Effect of Soil and Climatic Conditions on Brown Spot Occurrence in Rice Lowland Across Four Agro-climatic zones of Côte d'Ivoire
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
