<p><b>Compulsory</b> REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <b>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</b></p>	<p>The topic of the research is lucrative in market research but is not have too much potential for the development of scientific knowledge.</p> <p>Yes.</p> <p>No. The abstract must be rewritten comprehensively by following the sequence-conceptual background-principal objective-methodology-major findings-conclusion/recommendation. Moderate. Justification of issues, literature review, and research gap should be added in the introduction section. The objective is missing in the manuscript. Justification for the selection of the study area is required to be mentioned. Results and discussion should be separated.</p> <p>A literature review and proper sources/citations in the introduction and methodology must be required.</p> <p>Import a map of the study area.</p> <p>The discussion part is just a lucid interpretation of the results and the conclusion is not the true reflection of the results and discussion. Rewrite those properly. (Follow the highlights in the attached pdf).</p>	
<p><b>Minor</b> REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	Check once again.	
<p><b>Optional/General</b> comments</p>	The research topic is interesting for market and economic orientation but there is a lack of novelty in the research design/structure of the manuscript. Major revisions are required for further progress of the manuscript.
