If you have suggestion of additional references, please mention in the review form.</b> <b>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</b>	1. Title of article is very attractive and is necessary for understanding how traditional and alternative medicine are regulated in specific regions. 2. Its good. 3. First two paragraphs in abstract is not necessary, you can directly start from aim. 4. Looks fine. 5. I am not aware about the law in Gambia, some medicinal practicenor can say more reliably how correct it is. 6. Need to add more information how they are regulated around the world and compare and contrast how they are regulated in Gambia. You can use some paper like <a href="https://www.nutrafoods.eu/index.php/nutra/article/view/15/12">https://www.nutrafoods.eu/index.php/nutra/article/view/15/12</a> and others for finding relevant information.	
<b>Minor REVISION</b> comments 1. <b>Is language/English quality of the article suitable for scholarly communications?</b>	English must be checked for grammar and structure by native english writer.	
<b>Optional/General</b> comments	1. Spacing in in-text citation is not uniform. 2. Conclusion should be concise. 3. Reference should be complete. Especially in case of law there should be detail on which government had passed it, when was it passed and also mention if there were any amendments. 4. Reference should be made uniform.
