

**Editor's Comment:**

I have seen the revised manuscript along with the reviewer's reports and found that all the reviewers are in favor of the publication of this article. The authors have incorporated the minor comments from reviewers. However, I find some errors and English mistakes which I have highlighted in the attached file. Also, few suggestions are given for improving the quality of this manuscript. Please make sure the incorporation of these suggestions before its final publication.

**Editor's Details:**

Dr. Shah Rukh  
Assistant Professor, National Center of Excellence in Geology, University of Peshawar, Pakistan.
