Manuscript Title: The Relationship between Social Media and Students' Morals at State Junior High School 3 East Simeulue, Aceh, Indonesia

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the Draft Word.

Also,

- The organization of the manuscript to be checked.
- Check grammar.
- to have the text English proofread (mainly the application of articles).
- In the text, do not use the first person "our".
- In the text, do not use the second person "you".
- References should be checked.
- The sources used in the text are indicated as follows: (Okocha & Aihunume, 2002), etc.

Must be: [1], . . .

- to elaborate the bibliographic citation and references format according to the needs of AJESS.
