This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajmah.com/index.php/AJMAH/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)	Yes, This observation is necessary as the usage of Lap top is inevitable to our children and in our daily routine	
2. Is the title of the article suitable? (If not please suggest an alternative title)	yes, suitable	
3. Is the abstract of the article comprehensive?	yes	
4. Are subsections and structure of the manuscript appropriate?	Appropriate	
5. Do you think the manuscript is scientifically correct?	Correct	
6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Yes, references and discussion part is very less. If you include more references regarding prevalence of skin diseases caused due to infrared rays is more useful	
Minor REVISION comments		
1. Is language/English quality of the article suitable for scholarly communications?		
Optional/General comments
