

Review Form 1.7

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_105530
Title of the Manuscript:	A review on Medical waste, its Environmental consequences and Management Strategies, a Burning issue of the present day Society
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1. Yes it is important because the issue of medical waste is a challenge in both developing and developed economies in most countries of the world</p> <p>2. The title is not suitable because the review is apparently only focusing on some parts of India yet the title is talking about a global issue</p> <p>3. No because the methods used to get the information for review are not clearly described</p> <p>4. No because the review start reviewing without describing the methods for information collection and why.</p> <p>5. No unless the issues raised above are clearly revised.</p> <p>6. The references are mainly outdated therefore not sufficient and some are not correctly written</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	There is need to edit the whole document in terms of English language, grammar and spelling	
<p>Optional/General comments</p>	<p>Either revise the title or revise the focus of the manuscript</p> <p>Describe the methods used to collect the information in the review</p> <p>There is need to address all the issues raised above for the article to meet the minimum requirements for publication</p> <p>Very good data provided but in some of the tables the source of the data is not acknowledged</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
