

**Editor's Comment:**

I have checked and evaluated the files. References must be re-checked and re organized. Some references in the text do not appear in the references section. This is a serious mistake. Only the second reviewer has realised this reference problem. The author seems to have corrected it. But before the manuscript to be published the references require a final check. After that it may be published.

**Editor's Details:**

Dr. Arzu Alvan Bozdereli  
Associate Professor, Cyprus Science University, Cyprus.
