<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes</p>	
<p>Optional/General comments</p>	<p>The authors present the manuscript (Ms_IJECC_108920) "Survey and surveillance on major rice diseases severity in Karnataka" to be considered an original research article for publication in the International Journal of Environment and Climate Change. In general, the original article is well written and I believe this one gives a good overview of the mentioned topic. The authors failed in relation to some points of the article, such as in the abstract, introduction, discussion, table, reference, and citation.</p>
