### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	<ul style="list-style-type: none"><li>- The introduction must indicate the basic idea of the paper. The background and significance of the research must be explained to the readers. Key point, comprehensive analysis and similar work must be pointed out. Advantages and disadvantages of the work must also be included;</li><li>- It would be desirable to add a representative map of the study location;</li><li>- It would be desirable to present the results in the form of suitable graphs instead of putting only tables;</li><li>- There are some typos and English grammatical errors in this manuscript. I recommend checking for these issues.</li></ul>	
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
