

**Editor's Comment:**

The paper is accepted with minor revision.

BV is used as an abbreviation for 'bacterial vaginosis'; but should be used throughout the paper rather than the full term afterwards.

The discussion appears as one paragraph. Please break it down into more than one or two paragraphs.

Please, write limitations in a separate paragraph. You can also add the following with its reference to limitations:

Use of an intrauterine device (IUD) that increases the risk of vaginal infection was not investigated in the study.
