The topic is apt and very relevant as the issues raised are of a major concern in Nigeria.</p> <p>I think the title is too long and should be reduced to a maximum of 16 words. Topics should be catchy and not a sentence.</p> <p>No. I have given a guideline to help the author redraft the abstract.</p> <p>To a very large extent but the author should check the numbering of the major sections and the subsections and number them appropriately.</p> <p>The manuscript is scientifically correct.</p> <p>The references are recent and sufficient.</p> <p>There is the need for the author to be conscious of his tenses. I have noted the sections of the paper that needs recasting for aptness.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes, with minor review</p>	
<p>Optional/General comments</p>	<p>The paper is apt and deals with a major contemporary issue in Nigeria. The research findings and recommendations have added to the body of knowledge.</p>
