

**Review Form 1.7**

Journal Name:	<b>International Journal of Biochemistry Research &amp; Review</b>
Manuscript Number:	<b>Ms_IJBCRR_108068</b>
Title of the Manuscript:	<b>CHEMICAL PROPERTIES AND MOISTURE SORPTION ISOTHERM OF SMOKE- DRIED CATFISH (<i>Clarias gariepinus</i>) AND MACKEREL (<i>Trachurus trachurus</i>) PRODUCED WITH A MODIFIED SMOKING KILN</b>
Type of the Article	<b>Research article</b>

**Review Form 1.7**

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b>Compulsory</b> REVISION comments</p> <ol style="list-style-type: none"> <li><b>Is the manuscript important for scientific community?</b> (Please write few sentences on this manuscript)</li> <li><b>Is the title of the article suitable?</b> (If not please suggest an alternative title)</li> <li><b>Is the abstract of the article comprehensive?</b></li> <li><b>Are subsections and structure of the manuscript appropriate?</b></li> <li><b>Do you think the manuscript is scientifically correct?</b></li> <li><b>Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</b></li> </ol> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p><b>Yes, but this manuscript is written inconsistently and many of the information's are missing.</b></p> <p><b>Yes</b></p> <p><b>Yes but need to be corrections.</b></p> <p><b>Not appropriate.</b></p> <p><b>Yes</b></p> <p><b>Yes sufficient, latest references should be used in place of old references. There is lack of consistency as well as spelling. Pls write as per the journal's format of references. Some of them are indicated in the manuscript.</b></p> <p><b>I have pointed many corrections required in the manuscript. Proper writing the sentences are also required. Figure labelling also required to be corrected and also need to consistent in whole the manuscript.</b></p>	
<p><b>Minor</b> REVISION comments</p> <ol style="list-style-type: none"> <li><b>Is language/English quality of the article suitable for scholarly communications?</b></li> </ol>	<p>Required to correct the grammar</p>	
<p><b>Optional/General</b> comments</p>	<p>Abstract: correction required for better understanding. Comments are given in manuscript.</p> <p>Introduction: minor correction required as per the comments given in text.</p> <p>Materials and Methods</p> <p>Please do as per comments provided in the text. In the sorption study detailed temperature and relative humidity conditions should be mentioned. If possible explain how the water activity conditions were maintained. Are salts or acids used for the same. Please write these or given table for the same.</p> <p>Results and discussion</p> <p>It required deep corrections as per the some comments given in the text. Results of moisture sorption there is lack of basic data with study conditions, but some discussions were done. The understanding of the results provided in this manuscript is very difficult. Its graphs are also not clear, it required to understandable form.</p> <p>Fig numbers are also not consistent, please write as per the journals format as given in the authors guideline.</p>	

**Review Form 1.7**

	<p>Conclusion also needed to correct and some data also included.</p> <p>Reference</p> <p>References are not in consistent means uniform Spelling, space font, etc should be thoroughly checked Write as per the journal guideline. Recent references should be included in place of old references. Journals name should be consistent. Some points are highlighted in the text for your understanding.</p> <p>I have highlighted some points but it require full corrections</p> <p>Thoroughly corrections required for acceptance of manuscript.</p>
