<p><b><u>Minor</u></b> REVISION comments</p> <p>1. <b>Is language/English quality of the article suitable for scholarly communications?</b></p>	<p>yes</p>	
<p><b><u>Optional/General</u></b> comments</p>	<p>appreciate the emphasis that you place on the importance of collaboration and a multifaceted approach to addressing the challenges faced by adolescents in making healthy choices. It is clear that you have a deep understanding of the complexity of this issue, and your recommendations are well-considered and practical.</p> <p>I am also impressed by your commitment to empowering adolescents to make informed decisions about their health and well-being. Your focus on developing critical thinking skills and emotional intelligence is essential. Adolescents need to be able to navigate peer pressure and media influences in order to make choices that align with their long-term well-being</p>
