

Review Form 1.7

Journal Name:	Journal of Advances in Mathematics and Computer Science
Manuscript Number:	Ms_JAMCS_109552
Title of the Manuscript:	An Investigation into the Order of Difference of Product of Consecutive Integral Perfect Powers.
Type of the Article	An Investigation into the Order of Difference of Product of Consecutive Integral Perfect Powers.

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<ol style="list-style-type: none"> The manuscript is structures of finite difference orders. The results discussed in this manuscript are portrays a startling similarity between the difference orders and the D (differential) operator powers of polynomials with positive integral powers and are use full in Java Programming language. The title of the article “An Investigation into the Order of Difference of Product of Consecutive Integral Perfect Powers” is suitable. Yes, the abstract of the article comprehensive. Yes, subsections and structure of the manuscript appropriate. Yes, the manuscript is scientifically correct. Need to add more references. 	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> Is language/English quality of the article suitable for scholarly communications? 	Yes	
<p>Optional/General comments</p>	<p>The manuscript is well written with good arrangement. Overall, the work contains quite new and important insight. The aim and objectives of the study are within the scope of the Journal. However, the present form of the report needs Minor revision. The author should respect the following points.</p> <ul style="list-style-type: none"> A clear research motivation along with how this study is important to fill research gap in this area must be added at the end of introduction section with suitable research questions. Authors must check the language, for making the manuscript to meet journal standards. For instance, check the typo mistakes.
