

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed.

- The organisation of the manuscript to be checked.
 - ✓ "Table 1", this should be referenced (in the text).
- Check gramer.
 - ✓ to have the text English proofread (mainly the application of articles).

References should be checked.

- ✓ "[16]", this should be checked (in the text).
- ✓ All works cited in the text must be listed in the References.
- ✓ to elaborate the bibliographic citation and references format according to the needs of ARJASS.
