EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>My main objection is Results. If the results are clearly narrated along with the results table, how they have done the paperwork.</p> <p>Need to remove materials section, the same to be included in the methodology section.</p> <p>Author has done very good work, But could not explain properly in the results.</p> <p>There should be some uniformity across the world in designing of the manuscript.</p> <p>Need Proper description of result</p>	<ul style="list-style-type: none">- Results have now been clearly narrated and described under each table as presented. The addition is highlighted in yellow- Materials have been moved to the methodology section
