| <p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p> | <p>None</p> | |
| <p>Optional/General comments</p> | <p>1. The table 1 and Table 3 needs to rewrite.</p> <p>2. It would be good to break some long sentences into a few short sentences, as this will be less confusing and improve readability.</p> <p>3. The introduction part is acceptable, but it would be good to highlight the limitations of previous studies and how your study can help to bridge the research gap.</p> <p>4. The conclusion of the work dose not fix the main point of the study, try to rewrite and point into the significant find out of the current study.</p> | |
