EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. authors to enrich the manuscript with more references as both reviewers suggested but the authors did not follow these suggestions</p> <p>2. explane, why the six Tables are presented after the conclusions. Are these Tables in an Appendix? Please transfer the Tables in the appropriate point into the manuscript</p> <p>3. enrich the conclusion section with research limitations, future research and proposals for relevant policies.</p> <p>4. there are no presented comparison between research findings with results of similar studies national and international orieneted in the discussion part.</p>	<p>I applogize for that but due to official work load i am fully not able to work as per your suggestions.</p> <p>According to format of one of the paper which was published last month, i have put all the tables after the conclusions. Yes all these tables are in Appendix.</p> <p>I have mentioned all please check</p> <p>I have mentioned all please check</p>
