

Review Form 1.7

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_106622
Title of the Manuscript:	Recent Advances for Detecting and Addressing Plant Disease: Towards future farming
Type of the Article	Review Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Yes, the manuscript is significant since plant-pathogen interaction science is an underdeveloped field. This study creates awareness among the scientific community regarding the diverse techniques available to detect plant diseases.</p> <p>Yes</p> <p>Yes, it can still be modified by adding the significant insights from the review.</p> <p>I think it would be great if the authors add the review objectives in the last section of the introduction. Then add a data and methodology section showing how you collected the articles for the review (Eg;- Google Scholar/Web of Science). How did you synthesize the information from those articles (eg:- using tables/diagrams). Further, add the results in the results section. Moreover, attach a discussion section in the manuscript that compares the different techniques involved.</p> <p>Yes</p> <p>Yes, but more recent ones can be added.</p> <p>I have made some corrections, and the manuscript is attached.</p> <p>I would like the authors</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes, please correct for grammatical errors.</p>	
<p>Optional/General comments</p>
