

Editor's Comment:

Yes, using liquid medicinal syrups in childhood often suffers from illness.

Need mini change and correct

No, the total reference is 24 articles ,but newest reference was in 2012.so need add 2-3 newest reference articles

The authors should be to review the writing with English is his mother tongue.

Editor's Details:

Prof. Fuyong Jiao

Children's Hospital of Shaanxi Provincial People's Hospital (S P P H), Xi'an, China.
