

Editor's Comment:

I send Peer review information_2023_IJPSS_106590.

Major revision. Some Corrections indicated by reviewers have not been made.

- 1) The text has no citations, references need to be indicated (Author's, year) in Manuscript
- 2) lycopersicon Esculentummill is misspelled, Pending the correct one is: Lycopersicon esculentum Mill.
- 3) At the end of Materials and Methods the "Statistical Analysis" is missing
- 4) The Results are not compared with those obtained in other similar publications, therefore, there is no Discussion of the Results
- 5) The photos should be deleted, they are still in the manuscript
- 6) Research material is not enough for publication, Methodology must be described in a more complete way, experimental data is missing.
