<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>The notes on the Review must be adhered to in every detail.</p>	
<p>Optional/General comments</p>	<p>I suggested that you create three sub-headings, noting that you did not write the conclusions and discussion and increase the number of sources. I hope you pay attention to this for the success of publishing your study, which I consider good because it is field based and you adhere to field research standards.</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
