

Editor's Comment:

Paper is suitable for publication with following suggestion

1. Whatever abbreviation used in text, make list and write full form.
2. highlighted part with red, Either rewrite or remove
3. References are less , hence add references in discussion
4. Mention the role of chemical acetolactate synthase (ALS) after application of Triafomone.
5. Mention methods for making solution of Triadamone and mode of application with time 24 hours a day.
