

Review Form 1.7

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_107233
Title of the Manuscript:	Assessment of Physical and Chemical Properties of Continuously Cultivated Rice-Fallow and Uncultivated Soils of Nalbari District, Assam
Type of the Article	Original Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	 1. Yes, the manuscript is important for the scientific community. The study addresses the critical issue of long-term continuous cultivation of rice under the rice-fallow system and its impact on soil physical and chemical properties. The comparison with adjacent uncultivated soils provides valuable insights into the changes induced by this agricultural practice. 2. Yes 3. Yes 4. Yes	
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	Yes, it is acceptable but needs minor revision.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
