

**Editor's Comment:**

Please be aware that the authors should pay attention to the use of abbreviations throughout the manuscript.

Once you have mentioned the abbreviations (e.g. CABG) in the text, you can use this abbreviation (e.g. CABG) in the remaining manuscript. Furthermore, indicate use of LIMA or LITA?

**Editor's Details:**

Dr. Sam Said  
Hospital Group Twente, Hengelo, The Netherland.
