If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>It could be better explained the ketogenic therapy for AD.</p> <p>Title is ok.</p> <p>Yes, abstract is ok</p> <p>No, only one paragraph per topic seems too short.</p> <p>I think it could be improved.</p> <p>Ok</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>COULD BE IMPROVED.</p>	
<p>Optional/General comments</p>	<p>"In this country, the body on the whole is based on ketone bodies derived from fat as its most important supply of electricity, instead of glucose." – I suggest changing the term electricity for energy. I suggest nominating the country referred. Sometimes AD is not with caps activated, please correct it. Please do not compare ketogenic therapies with ketogenic for weight loss proposes, because they are completely different approaches. "metabolic kingdom known as ketosis." Please use terms more scientific than kingdom.... Please consider improving the explanation of ketogenic therapies used for AD. PUT ALL CITATIONS DURING THE TEXT, NOT ONLY AT THE BOTTOM OF THE ARTICLE.</p>
