

**Review Form 1.7**

Journal Name:	<a href="#">Asian Journal of Research in Computer Science</a>
Manuscript Number:	<b>Ms_AJRCOS_107654</b>
Title of the Manuscript:	<b>The Rise of Serverless Architectures: Security Challenges and Best Practices</b>
Type of the Article	

**Review Form 1.7**

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b><u>Compulsory</u></b> REVISION comments</p> <p>1. <b>Is the manuscript important for scientific community?</b> (Please write few sentences on this manuscript)</p> <p>2. <b>Is the title of the article suitable?</b> (If not please suggest an alternative title)</p> <p>3. <b>Is the abstract of the article comprehensive?</b></p> <p>4. <b>Are subsections and structure of the manuscript appropriate?</b></p> <p>5. <b>Do you think the manuscript is scientifically correct?</b></p> <p>6. <b>Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</b></p> <p><b><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></b></p>	<p><b>This research highlights serverless architectures with security challenges and best practices. This manuscript is a very interesting work and is of good interest to international readers.</b></p> <p><b>I can suggest an alternative title for this study: Security Challenges and Best Practices in the Era of Serverless Architectures.</b></p> <p><b>There is no need for modification in the abstract.</b></p> <p><b>They need to add the (organization of research) section at the end of the introduction. Also, there should be restructured subsections of the manuscript.</b></p> <p><b>I think the manuscript is scientifically correct, but it needs to add a related works section related to serverless architectures and serverless computing from 275 scholarly articles that they mentioned in the abstract section.</b></p> <p><b>Also, the abbreviations should be defined at first mention and used consistently thereafter.</b></p> <p><b>The references are good, sufficient, and recent.</b></p>	
<p><b><u>Minor</u></b> REVISION comments</p> <p>1. <b>Is language/English quality of the article suitable for scholarly communications?</b></p>	<p><b>There should be a check of language and spelling issues by the proofreader.</b></p>	
<p><b><u>Optional/General</u></b> comments</p>	<ul style="list-style-type: none"> <li>• <b>Figures should always be cited in the text in consecutive numerical order.</b></li> <li>• <b>Please provide 4 to 5 keywords for the manuscript.</b></li> <li>• <b>Please supply the introduction with a figure that compares container technologies and virtual machines. Also, add a figure that explains the difference between backend as a service (BaaS) and function as a service (FaaS) and cites it in the text.</b></li> <li>• <b>Please provide a table that summarizes the challenges of serverless architecture and the best practices for it.</b></li> <li>• <b>Please provide in the conclusion the future work parts.</b></li> </ul>
