

Editor's Comment:

The manuscript entitled " EFFECT OF INTEGRATED NUTRIENT MANAGEMENT ON THE GROWTH AND YIELD OF SNAKE GOURD (*Trichosanthes anguina* L.)" and encoded " 2023/EJNFS/107154" submitted by Khatun et al. were reviewed by Sing and Ghosh. Both of the reviewers accepted the manuscript for the publication as it is.

Based on the opinion the authors added some useful literatures to the manuscript and improved the language.

Hereby I can inform you that the manuscript can be accepted to publish in the Journal.
