

Review Form 1.7

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_108088
Title of the Manuscript:	Effect of long-term application of organic, inorganic and integrated nutrients on soil potassium fractions in a Vertisol of central India
Type of the Article	Original Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes. Effect of long-term application of organic, inorganic and integrated nutrients has been observed on soil potassium fractions in a Vertisol of central India. The article has depicted the release of reserve K towards available K with addition of organic components with or without chemical N & P- fertilizer.</p> <p>Yes</p> <p>Yes</p> <p>No, Sequence of subsection within results- available-K, water soluble-K, Exchangeable-K, Non-exchangeable-K, Lattice-K and total-K may be followed.</p> <p>Yes</p> <p>Yes</p> <p>13 comments has been provided by track change under review format in attached file, It need s to be corrected.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Simple English language. All paragraphs under results section has been written in same fashion or rhythm.
