If you have suggestion of additional references, please mention in the review form. <u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u> | Yes. Sounds good for Integrated Disease Management Yes Yes Yes. But numbering for sections and subsections should give as per the Journal guidelines. Yes Yes. It could be better that added references are recent. Though this research paper is based on the economic part of ginger i.e., Rhizome rot of ginger. It is advisable that photograph of ginger of every treatment will be added for better viewing of the disease reduction. Because the field preparations photos are given whereas the main photography (rhizome of ginger) of this crop has not given. | |
