

Editor's Comment:

I have read the reviewer's comments about the manuscript 2023/IJTDH/104628, and the improvements included by the authors.

Manuscript Title: Knowledge And Utilization Of Glasgow Coma Scale In Evaluating Unconscious Patients Among Nurses In A Nigerian Referral Health Centre

According to the reviewer's criticisms, the manuscript 2023/IJTDH/104628 is suitable for publication in International Journal of TROPICAL DISEASE & Health. I suggest additional English language review.
