Type of the Article	

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijr2h.com/index.php/IJR2H/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b>Compulsory</b> REVISION comments</p> <p>1. Is the manuscript important for scientific community? ( I don't sure)</p> <p>2. Is the title of the article suitable? (yes)</p> <p>3. Is the abstract of the article comprehensive? [Yes]</p> <p>4. Are subsections and structure of the manuscript appropriate? [Yes]</p> <p>5. Do you think the manuscript is scientifically correct? [No]</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>In this perfect work, the authors discussed the " EFFECTS OF CO-ADMINISTRATION OF ETHANOL EXTRACTS OF GONGRONEMA LATIFOLIUM AND TAPINANTHUS BANGWENSIS LEAVES ON BLOOD GLUCOSE LEVEL, BODY AND ORGANS WEIGHTS IN NORMAL MALE ALBINO WISTAR RATS ". The manuscript was well written in sentence and its full in contents and interesting to read and covered many important aspects. So befor I recommend it for acceptance, the manuscript need few additions revision:</p> <p>1- Manuscript needs mor language proofreading</p> <p>2- Author's needs to present and mentioned the components of suggested plant type</p> <p>3- Inserting of a scheme for material used and its application in methodology part will be better to understand the achieved work.</p> <p>3- Please pay mor attention for separating distance between sentences through all manuscript.</p> <p>4- The novelty of work should be established in well in introduction section.</p> <p>5- Adding of comparison table for similar or nearly works will gave this paper more novelty.</p> <p>6- Author's needs to write one paragraph on limitations that face utilizing of plant extract in like this application.</p> <p>7- Conclusion section needs more explanations.</p>	
<p><b>Minor</b> REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	Not completely	
<p><b>Optional/General</b> comments</p>
