

**Editor's Comment:**

On studying and analyzing the mentioned research article, I found that this article is "Original & Short Research Article", comprising the features as:

- Title of the Article is meaningful and suitable.
- Abstract is significant.
- Introduction and Material is explanatory.
- Result & Discussion is well understandable.
- Conclusion is comprehensive.
- References are enough.
- Overall article is Informative.

I accept the article entitled "The Impact Of Servant Leadership Toward Job Satisfaction And Turnover Intention Through Employee Engagement As Mediating Variable On Community Health Care Centers In Bengkayang" for publishing.
