

Editor's Comment:

I've gone through the Peer Review Report of the manuscript entitled "Potentiation of antibacterial activity of ciprofloxacin by essential oil of *Cymbopogon citratus* against fluoroquinolone-resistant *Staphylococcus aureus* and *Escherichia coli*" provided by 3 reviewers. I've also checked the authors response to the Reviewers comments as well as the revised manuscript. The authors have modified the manuscript as suggested by the Reviewers.

The manuscript may now be accepted for publication.
