

**Editor's Comment:**

As a matter of urgency, I am sending my approval for the publication of the article written in good and intelligent English, and I have no pain to read and understand it. I am fully satisfied with the paper entitled Learning Motivation Scale (LMS): Development and Validation among the Prospective-Teachers in West Bengal, India (manuscript number 2023/AJESS/106444) taking on board the comments, suggestions of the respected reviewers. The revised paper is now ready for publication.
