

**Editor's Comment:**

- 1.the title is too long: Tomato production. An empirical study in..... Bangladesh
2. InConclusions, Maybe, The participation of tomato production in that regional and at the national level.
3. The References to be written in The alphabetical order of The last names of authors (A The first References and Yunus The last one). Immediately after the name The year of publishing.

With these corrections, ok for publishing.

**Editor's Details:**

Dr. Alexandru Trifu  
Professor, "Petre Andrei" University of Iasi, Romania.
